

African Leadership Development SEPTEMBER 2017

Dear Friends,

Greetings from Colorado! We are rejoicing that God is our Refuge and Strength as we serve Him. I've just been messaging a Pastor from Malawi about coming to the 12th Pastors and Wives Conference. We met when I was teaching in Blantyre several years ago. A second pastor and his wife will be coming as well from the financial and commerce capital of Malawi.

Phillip continues to do an excellent job in Whunga as the "father" to the 20 orphans we care for. Not only the parenting responsibilities, but also the administrative and financial aspects of running the home. He has just hosted the leaders of the Rural Counsel that had to see the land that they would "give" us for the school. It's been quite involved to say the least! They have approved 120,000 square meters of land (3 x 4 football fields) for the school and the teacher's residences AND HE IS ALSO THE BUILDER. He's doing the job or several men; please pray for him!

Phillip and the team are also busy preparing new accommodations for the upcoming teams to Africa: November 2017, January 2018, and April 2018. We'll be treated to something that very few houses have in rural Zimbabwe: water in a bathroom with sink, shower and toilet. That doesn't sound much to us, but without electricity and running water????

5th Pastors and Wives Conference 2010

We still need 25 more sponsors for the conference. If you can support one or two of our pastors and wives to come, please include the tear off below with your check. Thanks in advance.

Please pray for Andrew and Michael as they finish their High School years and plan for the future. Algebra II is especially challenging. Pray too, for Amy, as she goes back to RSA in November with me to assist in the Down's school, Club 21, for a short term serving opportunity.

Blessings, *Bill*, for all of us!
