## MAY 2018

Dear Friends,

The count down was on... and now its done! As you can see, we have two new high school graduates! Michael and Andrew "walked" on May 16th, at the Air Force Academy arena. Katie came in and Bill, Jr. and Mariah and his five+ kids were also here to honor them.

As I write, everyone is still here and we're enjoying being ALL together. It was an eye opener to realize that it was just 24 years EARLIER that Bill graduated, also here in Colorado Springs. So we've had children in our home since 1976! But what a joy it's been to raise our five. Please pray with us for Andrew and Michael to live for God and honor Him in all they do.

Michael is planning on going to Grand Canyon University in Phoenix and wants to study Sports Management. Andrew is waiting to hear about a gap year, and has also been accepted at two colleges. Andrew just got his first job - doing grounds at a country club, and Michael is still looking for summer employment.

Kate is continuing on her "walk about" with Jill, enjoying adventures and meeting new people. Check out their podcasts, [GIRLS JUST POD TO HAVE FUN](#), or their recent TEDx talk, entitled [DARE TO DIVE INTO THE UNKNOWN](#) by Jill and Kate.

Bill and Mariah are building their house on their property and have bravely lived in a single-wide for 3 1/2 years! Hats off to them! Bill leads a Father-Son Ministry and is very busy with his business, Amtacshooting.

All for now. Our love and thanks to each of you for your interest and support over the years.

Blessings,

*Pam*, for us all.
