African Leadership Development SEPTEMBER 2018

Dear Friends,

THANKS so much for your prayers for Andrew to hear from YWAM and the Discipleship Training School. He was accepted and left last Friday and is now on Maui, with outreach beginning in December in Asia. Life is different with both boys away!

Amy has had a wonderful time serving the Downs kids in Pretoria this past month, and is looking forward to being home soon. God has gifted her in unique ways to serve and love the kids who have a tough time in many parts of society.

THANKS for praying for our last Africa trip. The team had a very special time with the kids. They brought the HOHA children new clothes, new soccer and balls, and had a vacation Bible school that they will never forget. We all got to see the solar electricity connected and several appliances connected to help make life a little easier in the bush. **Please pray for the recovery of the solar equipment that was stolen.**

Thanks to all of you who have given to get the pastors and their wives to the 13th conference. It begins in just three weeks and Pam will be going with me. We still need to get about fifteen more pastors sponsored. If you'd like to help, please use the tear-off at the bottom to send your sponsorship or partial sponsorship. **Thanks tons!!!!!!** (Bottom picture is of the 1st Pastor/Wives Conf.)

On a more personal note, we have set up a scholarship fund through ALD for Andrew's gap year with Youth With a Mission and for Michael at Grand Canyon University. Your gifts are tax deductible and would greatly help. (Please note in the memo portion of the check for Scholarship Fund.)

Blessings, *Bill & Pam*

I would like to sponsor ____ couple or couples for the 13th Pastors and Wives Conference. Each couple needs \$300.00 for the conference or \$_____ to help towards sponsoring a couple.
