As we come to the end of another year of ministry, we want to take a moment to say a big thank you for being a part of our missionary ministry. We are truly grateful for your financial and prayer support that make it possible for us to serve here in France.

As you are a part of our ministry, so you are as well a part of what the Lord is doing in many peoples lives. A couple of recent high points have been:

In October we had a special baptism service for Samuel who is French and who has been coming to the church for the past 3 years. Samuel shared his testimony publicly about how, step by step, he came to the decision to fully embrace the message of Christ and to trust Jesus as his Savior. Please pray that Samuel will continue to grow as a new Christian.

For our Thanksgiving Dinner we had 66 people attend. Among those who came was a lady and her son. She is a Buddhist and has come to the church a couple of times since. She spoke with us about Christ and we gave her a Bible and encouraged her to read John's Gospel. Please pray that this woman will turn from Buddhism to fully trust Jesus.

We look forward to that day when as we worship together around the throne we will be able to introduce you to all those from around the world who the Lord has enabled us to ministered to in Montpellier through your prayers and financial support.

From our family, to each of you and yours, we pray you have a blessed and uplifting Christmas celebration.
