## TEAM MONTPPELLIER

Reaching the nations with the hope of the Gospel

*pastoring the International Chapel of Montpellier, France*

*Just so, I tell you, there is joy before the angels of God over one sinner who repents.”  
Luke 15:10 (ESV)*

### **We would like to introduce you to a new member of our heavenly family !**

God has been SO good and rich in His grace and mercy to pursue each one of us.

One recent Sunday, John finished his message with an invitation for anyone who would like to talk with us about the Lord, stating that we would be delighted to have a conversation. After that service, a German girl who had been living & working in Montpellier for several months came up to Robyn with tears in her eyes and asked for one such conversation. She had been involved in our 20's & 30's bible study group, as well as the women's bible study and was intricately involved in the life of the church. The funny thing is that this German girl actually came to the International Chapel with “no” church background at all. In fact, our

church was the first church she had ever attended. She had spent these past many months hearing God's Word taught and watching the life of God's people living in the community of faith.

On this particular day, she stepped out and pursued the God that was pursuing her and set up a time to meet with Robyn. Over their meeting she communicated that she had begun to see how the Lord had actually been involved in her life even when she didn't acknowledge Him. And then for her to witness, in action, people living their lives and basing their direction in life on what the Lord desired - this exemplary faith spoke volumes to this young German woman. Robyn had the privilege of taking her to the cross and listening to her as she poured out her heart to the Lord in repentance.

We can't wait to introduce you one day to her in heaven! Thank you for partnering with us through your prayers and financial support for the work here in Montpellier. They mean more than words can communicate as we seek to be faithful in the ministry here, always trying to place the Lord's agenda first and having the blessing of watching Him work among the people of the nations!
