TEAM MONTPELLIER

Reaching the nations with the hope of the Gospel

pastoring the International Chapel of Montpellier, France

Go and make disciples of all the nations... Matthew 28:19

servicing among the nations

On any given Sunday, or at one of our Bible Studies or Ministry Events, we are interacting, engaging and building relationships with people who have come from many different places all around the world. Our aim and purpose is to make disciples of all nations as we see people come to faith in Christ for salvation, as well as for those who are believers to grow in their relationship with the Lord.

Thank you for being a part of the Lord's work in this part of the world and beyond !

Ministry Prayer Requests

1- Every Fall we have many people come to the church who are new to Montpellier for their work or their university studies. Please pray that these new people will feel welcomed and that they will see the local church body here exhibit unity in Christ in the midst of so much diversity. On any given Sunday we have people from over a dozen countries and nationalities. Also, as you pray for us, pray that people will respond to the gospel message being preached. On most Sundays we have people who do not yet know the Lord attending our church service.

2- Robyn's Ladies Bible Study is underway and meeting on Saturday mornings. This past Saturday, they had 15 ladies attending with 11 different countries represented.

3- Ongoing discipleship through the Bible Studies, John's weekly preaching of God's Word and also our personal one on one time with people.

4- There are a number of men who do not know the Lord, but their wives come to church and church events on a regular basis. Please pray for John that he would be able to make personal connections with them that would provide him an opportunity to talk about the Lord.

5- Two upcoming church outreach events: Game Night, October 27 and our Thanksgiving Dinner in November.

6- Our French Residency Visas are due to be applied for again. This application process has become a very intense task and is not always a "given" that the visa would be granted. We would appreciate your prayers for this, specifically right now as we are trying to set up an appointment date with the government offices. The only way the appointment is made is online and open time slots are very limited. It is not easy to get an appointment and we are working with a deadline in relation to our current residence card's expiration.

7- Our monthly support level is about 68% of what our budgeted monthly need is. We would appreciate you praying for our financial support. We also would be grateful for those who might consider beginning support for us as new financial partners or those perhaps, who would consider giving a one-time special financial gift as we come towards the end of the year. If you would like to assist us financially with our ministry, you can do so safely and securely through our website at: <https://www.thecoulesministry.com/partner-with-us.html>

Thank you for continuing "steadfastly in prayer, being watchful in it with thanksgiving" Colossians 4:2
