

African Leadership Development

NOVEMBER 2019

GRATEFUL, THANKFUL, AND BLESSED

Dear Friends,

The 14th Annual Pastors and Wives Conference is history. **YOU** made it happen. This group was so thankful that **YOU** gave and prayed to get them there and bless them in their time away. Powerful teaching and refreshment was received by the group. South Africa is known as the rainbow nation, and we celebrated with color in our conference t-shirts.

Our home church, Academy Christian, graciously sent Pastor Logan to teach. The pastors and wives were extremely grateful.

Your end of year giving will help tremendously as we plan for 2020.

Happy Thanksgiving with many blessings, *Bill*, for all of us
